

COTTO 023/2023

October 26, 2023

To President
The Stock Exchange of Thailand

**Subject: The investment project for the production line of Stone Plastic Composite (SPC)
at the Hinkong Factory of SCG Ceramics Public Company Limited**

SCG Ceramics Public Company Limited (“the Company”) hereby announces that the Board of Directors, at the meeting held on October 26, 2023, have passed a resolution to approve the investment project for the production line of Stone Plastic Composite (SPC) at the Hinkong Factory, Saraburi. The production capacity of this project is 1.8 million square meters, with a total investment value of 138 million Baht. It is expected to be completed by the middle of 2024

This project is an investment that aims to meet the needs of consumers who value a wide range of material choices and easy installation. The Stone Plastic Composite (SPC) are flooring materials that have beautiful designs, patterns, and textures. They come in a wide range of patterns to suit every space, providing 100% waterproof and termite protection, along with easy maintenance and quick installation. These features align with the current trend and growing demand of consumers.

Thus, the disclosure of this transaction is not required pursuant to disclosure rule for the acquisition and disposition of assets. This transaction is not a connected transaction.

Please be informed accordingly.

Yours faithfully,

-Signed-

(Mr. Numpol Malichai)

Managing Director
